

Global Dissemination

Nearly **4,000**
institutions

Spanning **195**
countries

51M+
article downloads

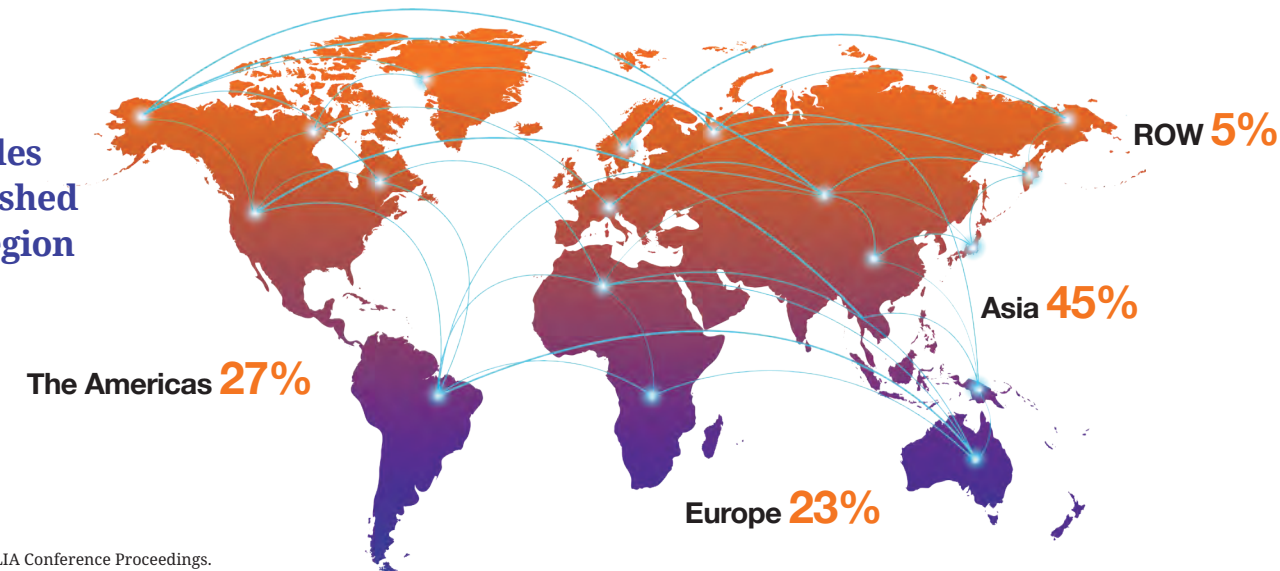

Over **59M+**
abstracts reviewed

Global Authorship

Our global community of scientists published more than **16,000**** articles in 2022.

Articles Published by Region

**excludes LIA Conference Proceedings.

Outstanding Quality

Our citations rank amongst the world's leading physical science journals.

Atomic, Molecular & Chemical	#1 in citations — <i>The Journal of Chemical Physics</i>
Acoustics	#1 in citations — <i>The Journal of the Acoustical Society of America</i>
Physical Chemistry	#2 in citations — <i>The Journal of Chemical Physics</i>
Applied Physics	#3 in citations — <i>Applied Physics Letters</i> #6 in citations — <i>Journal of Applied Physics</i> #9th highest impact factor — <i>Applied Physics Reviews</i>
Instruments & Instrumentation	#6 in citations — <i>Review of Scientific Instruments</i>
Fluids & Plasma Physics	#3 in citations — <i>Physics of Fluids</i> #4 in citations — <i>Physics of Plasmas</i>
Mathematical Physics	#7 highest impact factor — <i>Chaos</i>

A Powerful Partner

We open doors
within your
world so you
can make great
things happen

Your partners in progress

We bring together people and ideas from across the physical sciences. More than 4,000 institutions from around the globe turn to AIP Publishing for our network of cutting-edge data and pioneering discoveries that sparks thinking, discussions, and new ways forward. And we're driven to deliver. We work alongside you, ensuring you have the platforms, connections, and momentum to make great things happen.

Benefits of Access

- **24/7 online access** to subscribed and OA publications
- **Fully searchable** platform with the capability to save searches
- **Mobile-optimized**—for easy reading when on the go
- **Commenting** and one-click social media sharing
- **Optimized display** across mobile devices and browsers
- **Improved speed** allowing for faster navigation and search functionality
- **View trending articles** and free access to all supplementary materials
- **Remote access**—access content from anywhere, anytime

Corporate Packages

Industry-specific bundles create a highly targeted suite of content for your users.

Partner with your Sales Manager to explore industry-specific licensing options for your organization.

PHYSICS TODAY

A great resource for all industries

Our flagship magazine, *Physics Today* is the most influential and closely followed physics magazine in the world. With authoritative features, full news coverage, analysis, and fresh perspectives on the latest advances in the physical sciences, it's a great tool to help take your research to the next level.
