DA Choice: Build your archives your way

The Digital Archives are composed of 20 publications from AIP Publishing and our publishing partners.

With DA Choice, you can select individual titles to build a customized archive that fits your needs and budget. It's a one-time investment that provides your community with the tools of discovery for generations to come.

DA Choice is perfect for:

Corporations focusing on specialized research and products

Organizations with a tight subscription budget

Institutions that currently subscribe to the backfiles
